Not interested

"Go talk to her," Jeff said.

"Who?"

"The girl over there who's eyeing you up and that you try not to look at."

"You're imagining things," Stone said sipping his beer.

"She's kinda hot."

"Who's kinda hot?," Chris said as he walked by their table.

"The girl back there. Stone pretends he's not interested," Jeff explained.

"You should go for it, Stoney."

"Don't call me that, Chris. And I don't pick up girls in bars."

Chris sighed.

"I'll go get her for you."

"No, you don't."

"Ok, then I'll get her for me," Chris said before leaving their table.
